

Pillow Academy will again use RenWeb. RenWeb manages our student information and it allows our teachers to keep parents up to date with grades, homework, and attendance.

For students entering **1st - 5th grades**, RenWeb will be online by August 19th.

For students entering 6th - 12th grades, RenWeb is now available. To get your schedule, homeroom, and locker number- go to www.PillowAcademy.com and click on the "RenWeb Information" link. RenWeb has changed their login screen - so please verify your account by going through Pillow's webpage. In order to login - you must have a valid email address on file at Pillow.

If there are any problems with connecting to RenWeb - please refer to Pillow's website. On the main page (bottom right) will be a link with complete instructions or click below:

If there are errors with your schedule, dates and times have been assigned for corrections. Please be aware that schedule changes are for mistakes only - not to swap class periods, etc. Also, please note that schedule changes CANNOT be done over the telephone or through email. Parent and/or Student must be at Pillow during the times indicated below. If you are unable to come during your time, we will accommodate you at a later time. Schedule changes cannot be made to switch study halls - study hall periods are locked-in. Again, please do NOT call the office about schedule changes or send emails about schedule changes.
